

# Alisha's Stage Intro

In a world of disengagement, divisiveness, and disease, Alisha De Lorenzo believes the way to do more with less is to unlock the next level of aliveness in your people.

A true luminary, Alisha De Lorenzo taps into her profound understanding of the human spirit and decades of experience spearheading groundbreaking initiatives to disrupt and redefine industries, organizations and lives. Alisha is an acclaimed speaker guiding companies like Mondelez, Wawa, YMCA and the US Army to identify and scale the solutions hidden in plain sight. Her work has been featured on PBS, NBC and NJ Spotlight News while her influence has reached hundreds of thousands of people from the United States to Africa.

With electrifying energy, Alisha is here to guide you to dive into the edge of your disruption, rediscover the spark that resides within you and your teams, and embrace the magic that happens when we step outside of the lines.

Join me in welcoming to the stage, Alisha De Lorenzo.
